The Merrick County Board of Supervisors met Tuesday, June 11, 2013 at 9:05a.m. in the Supervisors Room, County Courthouse, Central City, NE, with Graves, Helgoth, Kucera, Hahn, Weller, Jefferson, and Wiegert present. Also present was County Attorney Lynelle Homolka.

Moved Hahn, second Kucera to convene as Board of Supervisors at 9:05 a.m. Roll Call: All Ayes

Notice of the meeting was given thereof by publications in the Republican Nonpareil and The Palmer Journal and on the Merrick County website. Proof of publication is filed in the Clerk's Office. Copies of the agenda were mailed to each Supervisor and kept current and available to the public at the County Clerk's Office.

Chairman Wiegert declared the meeting was preceded by publicized notice and having acknowledged and identified the location of the posting of the current copy of the Open Meetings Act, called the meeting to order and in open session at 9:10 a.m.

Agenda: Moved Graves, second Jefferson to approve the agenda as presented. Roll Call: All Ayes.

Minutes: Moved Jefferson, second Graves to approve the minutes of the May 25, 2013 as presented. Roll Call: Ayes: Hahn, Kucera, Weller, Jefferson, Helgoth, Graves, and Wiegert.

Meeting reports: Graves attended a NIRMA claims meeting on the 30th and Kucera said that the new Extention agent will start on June 24, 2013 and Wiegert attended the Central District Health meeting last night.

Official reports: Treasurer Dunham said they had received a payment on the ethanol bond interest of $10,000.00. The second bond will be paid off with one more payment. The last bond will be paid off in 2017. Weed Superintendent Roscoe said that he had sent out ten, 10 day notices yesterday to Silver Creek. They are having a terrible time with leafy splurge because of the hay they brought in while widening Highway 39.

New Veteran Service Committee members: Veteran Service Officer Berry said that the Palmer Legion Post 120 had submitted Mike Fuehrer's name to service another five year term and Dyrek Zoucha is willing to take James Glasgow's place. Moved Weller, second Helgoth to appoint Mike Fuehrer and Dyrek Zoucha to serve on the Veteran Service Committee for the next five years. Roll Call: All Ayes.

Phone and Internet service: Steve with USA Communication told the Board that he had completed his site study. Becky Lynch also with USA Communication said that they could provide a 16X5 connection for $194.95 a month which is what we have now but theirs is more reliable and stable or a 25 meg (upper download speed) for $299.95. They will not be able to do the County Shop because it is located three miles out of town and too costly to run line out there. The site study showed a $307.00 a month savings in the courthouse and $583.00 a month or $7,000.00 a year in the Sheriff's Department. The installation fee would be $29.95. Moved Weller, second Graves to go with the 165 connection for $194.95 a month plus a one time installation fee of $29.95.

Sheriff's report: Sheriff Campbell said that he would be going with USA Communication because of a savings of

$7,000.00 a year. The current system the Sheriff has for service and civil process is ITI and the cost will be going up to $19,333.53 a year. Campbell is looking to go with Jamin software. The police could join the service and if the County Attorney needed something she could go in and look it up instead of the Sheriff's Office printing it all off for her. A lot of the jails are going with the Jamin software because of the cost savings. Campbell said the cost would be coming out of his budget. Campbell also introduced the new deputy, Tyson Bullis. Campbell also informed the Board that they will be getting a canine.

Livestock Friendly hearing: Moved Kucera, second Helgoth to open the Livestock Friendly hearing at 10:00 a.m. Roll Call: All Ayes. Shannon Hannappel spoke representing the Farm Bureau in favor of Merrick County becoming livestock friendly. Steve Martin, Nebraska Department of Agriculture was also present. Weller asked who takes care of the paperwork if the County would become livestock friendly and Martin said that most of the time the Clerk or Planning & Zoning do. There are forms that need to be updated every year. Planning & Zoning Myers said that she feels that Merrick County is already livestock friendly. She had sent out a questionnaire to the counties that are already livestock friendly and received nine responses. Myers said she feels that there would be some scrutiny because the County's comprehensive plan and zoning regulations have not been updated since 1971. Myers said that she feels that there are things in the regulations that the County Board could at some point be sued for. Mark McHargue asked the Board to support becoming livestock friendly. McHargue had gone down and testified and said that LB550 did not pass because of financial reasons. Greg Senkbile recommends that the County get the regulations changed. Senkbile said that Merrick County is ag and livestock friendly. Martin said the State will not tell you what and when to do something. They cannot change regulations in zoning. Jay Ferris who works for the Nebraska Farm Bureau by Seward also spoke in support of livestock friendly. Ferris said if the County ever wanted to get out of being livestock friendly all they have to do is a resolution and send it to the State. Moved Jefferson, second Kucera to make Merrick County Livestock Friendly. Roll Call: All Ayes.

Moved Kucera, second Jefferson to approve the Chairman signing the resolution to become livestock friendly that mirrors the sample that was sent in the packets to the Board two weeks ago. Roll Call: All Ayes. Moved Graves, second Kucera to go out of the hearing at 10:40 a.m. Roll Call: All Ayes.

Bid for concrete work: Graves submitted a bid from Lesiak Construction for concrete work where the drain comes out on the east end of the new addition and the west end of the old building and some in the parking lot for $3,368.47. Moved Graves, second Jefferson to approve the bid from Lesiak Construction for concrete work where the drain comes out on the east end of the new addition and the west end of the old building and some in the parking lot for $3,368.47. Roll Call: All Ayes.

Interlocal Agreement with Hall County: An Interlocal Cooperative Agreement with Hall County for a joint improvement project on the Merrick and Hall County line to replace a bridge on Gunbarrel Road approximately 0.2 miles north of "C" Road in Merrick County under C61(233) in the Merrick County One and Six Plan for the Board's approval and the Chairman's signature. Moved Weller, second Graves to approve the Interlocal Cooperative Agreement with Hall County for a joint improvement project on the Merrick and Hall County line to replace a bridge on Gunbarrel Road approximately 0.2 miles north of "C" Road in Merrick County under C61(233) in the Merrick County One and Six Plan and have the Chairman sign it. Roll Call: All Ayes.

Classification maintenance maps: Highway Superintendent Meyer had left classification maintenance maps for the Board to approve and have the Chairman sign to designate part of 6th Road a minimum maintenance road. Moved Graves, second Hahn to approve and have the Chairman sign the classification maintenance map. Roll Call: All Ayes.

County Attorney: Bob Husmann came before the Board and told them that he does not feel the County Attorney is being paid enough. He said that the County paid for rent and utilities for the former County Attorney's office and wages for his gals in his office there on top of his salary. He feels this attorney is doing more for less. Weller asked the County Clerk to find out if the County Attorney's can be paid different from the other elected officials. County Attorney Homolka thanked Husmann for his support and that they could probably change her salary by resending the resolution setting the salaries but that she was fine as it is now. The Board will set salaries for four years beginning 2015 in November 2013.

Insurance: County Clerk Wichmann said that the Board had not voted whether they wanted to keep the Aflac insurance or go with the All State Insurance that Strong Financial offers. Moved Graves, second Kucera to stay with Aflac. Roll Call: All Ayes.

Letter of Support: The Board had received a letter from Grand Island Clean Community System in Grand Island requesting the Board to write a letter of support for their continued funding for the operation of their facility. Moved Weller, second Hahn to have the Board write a letter of support for the Grand Island Clean Community System in

Grand Island for their continued funding for the operation of their facility. Roll Call: All Ayes. Weller said that he would write the letter for the Board.

Appointment to Central Nebraska Community Service Board: Moved Hahn, second Graves to reappoint Jim Helgoth to the Central Nebraska Community Service Board. Roll Call: All Ayes.

Vision insurance: The County currently has a vision plan with Ameritas which the employees can elect to participate in or not and the premium is deducted from their payroll. Ameritas sent a letter stating that their rates would be increasing for the current plan but offered a plan change option where the out of network benefits would be decreased. Moved Kucera, second Weller to stay with the current vision plan with Ameritas. Roll Call: All Ayes.

RESOLUTION 2013-20: RESOLUTION 2013-20 was presented to the Board to transfer $11,000.00 of the Jail budget authority to the Communications budget authority. Moved Jefferson, second Graves to approve and have the Chairman sign RESOLUTION 2013-20 to transfer $11,000.00 of the Jail budget authority to the Communications budget authority. Roll Call: All Ayes. RESOLUTION 2013-20 is on file in the County Clerk's Office for public viewing.

Janitors sick leave: Weller said that Dennis O'Nele had called him to let him know that he would be having shoulder surgery and may have to be off for three months. O'Nele takes care of the lawn, empties trash for all offices, opens the courthouse, picks up mail and takes the mail in the afternoon. It was mentioned by O'Nele to Weller that an inmate may be able to mow the lawn while he is off. They will get with O'Nele to see what he suggests for his duties.

Advertising for the Treasurer position: Weller said that he had this put on the agenda because he thinks it would be a good idea to advertise for the Treasurer's position. County Attorney Homolka said she thinks it is wise to advertise but it is not legally required. Treasurer Dunham told the Board that August 1 will be her retirement date. The Board asked that Treasurer Dunham write up the advertisement for her position with a deadline of July 5, 2013 for applications. Moved Weller, second Kucera to have Treasurer Dunham write an employment ad for the Treasurer's position with a deadline for applications of July 5, 2013. Roll Call: All Ayes. The ad will be put in the Central City Republican Nonpareil, The Palmer Journal, and the County website. The applications are to be turned into the County Clerk's Office.

Entrepreneurial Community Activation Process (ECAP): The County Board had received a letter from the ECAP asking for someone from the Board's attendance at their June 26, 2013 meeting to represent the Merrick County Board of Supervisors. Weller said that he would be attending for the Board of Supervisors.

May 2013 fees: The May 2013 fees from the Sheriff, Clerk of District Court, and County Clerk were presented to the Board for their approval. Moved Graves, second Helgoth to approve the May 2013 fees from the Sheriff, Clerk of District Court, and County Clerk.

Claims: A claim turned in by the Extension Office for insurance from Triangle Insurance for the 4-H building was questioned as to who owns the building. Graves said if the County owned the building it would be covered under the County's insurance policy with NIRMA and it never has been. The names on the claim were the 4-H Council and Ag Society. The County Attorney and Kucera will check an agreement out to see who actually owns the building. The June 2013 claims were presented for the Boards approval.
